.....

.....

3 Classify the following countries according to the table:

Asian Arab countries	African Arab countries

4 What is meant by the climate and the climatic region?

.....

.....

5 What are the consequences of climatic diversity in the Arab World?

1.
2.
3.

1 What are the most important agricultural areas in the Arab World?

1.

2.

3.

2 What are the most important producers of fish in the Arab World?

1.

2.

3.

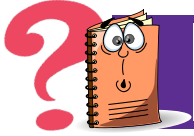

3 What is meant by the following terms:

1. Primitive industries:

.....

2. Modern industries:

.....

4 Raw materials are divided into three types.
List them down.

1.

2.

3.

Student's Name

Quiz (3) – Unit (3)

1 What are the main and available elements of industry in the Arab World?

1.

2.

3.

2 What is the cause of low production of fish in the Arab World?

1.

2.

3.

3 What are the most important kinds of livestock wealth in the Arab World?

1.

2.

3.

Student's Name

Quiz (3) – Unit (3)

4 Complete the following table:

Climatic regions in the Arab World	Place of Spreading	Climatic characteristics

1 Fill in the blanks with the suitable word.

1. Greece is a in southeastern
2. The great ancient Greek civilization started in B.C and ended with the establishment of the Empire in B.C.
